About Troop 181

Our Expectations:

Scouts: We are looking for scouts that enjoy the outdoors and providing service to their community with a desire to develop skills that will last them a lifetime. Enthusiasm and a willingness to try different experiences are what we are looking for in potential recruits.

Parents: Troop 181 is a “boy lead” Troop. The scout leadership meets twice per year to discuss the calendar of events for the troop. The parents serve as Committee Members or Assistant Scoutmasters to help the scouts to implement their plans.

Active participation of the parents is essential for our scouts meet their goals and to have a successful scouting program. For this reason, Troop 181 requires at least one parent from each family to register and be active as either a Committee Member or an Assistant Scoutmaster if their son decides to join Troop 181.

We strive to fit your personal skills and desires into a position that will best support our Troop. If you need to be trained, we will train you or provide training opportunities through the district and council resources.

Fees:	Troop dues -----	\$50 per year
	BSA registration -----	\$10 per year
